RULES AND REGULATIONS FOR USING SCHOOL TRANSPORT

- A seat on the requested route can only be provided based on availability. Filling this form does not mean a guaranteed seat on the requested route.
- Bus fees are charged on a quarterly basis (March-May, June-Aug, Sept-Nov and Dec-Feb), kindly ensure that payments are made on time before the start of every quarter.
- If you wish to stop bus services for your child/ward, a completed stop form should be submitted to the transport department, 15 days prior to the upcoming quarter and confirmation of stoppage in services should be received from the Transport manager in order to avoid billing for the upcoming quarter.
- After filling this form, please avoid approaching the transport office in person.
- Each bus has a lady attendant accompanying the children.
- Kindly note that buses will be stopped only on the designated bus stops
(Please refer to Annexure B below containing complete list of stops for each route)
- On any given day, if your child will not be availing the bus service on one of the trips, either to school or from school, please inform the bus attendant or school authority, else the child may be assumed to be absent by the bus attendant & left behind.
- Each bus has a GPS tracker; please ensure you download the school app to track the location of your child/ward's bus. *(Please note: this service is being provided by a third party & its functioning is subject to availability of internet / GPS network.)*
- A child cannot avail of multiple bus routes. By filling this form, a child can only avail of the bus route requested on the submitted form.
- I have read and understood the above rules and regulations for using the school transport facility and hereby agree to abide by all the rules and regulations mentioned above.
